Bob Kressig understands the needs of Cedar Falls residents. That's why creating high-tech job opportunities, funding education for kids and adults and balancing the budget have been his top priorities. Cedar Falls families deserve hard-working leaders who work for them.

Jobs

- Invest in the Cedar Valley Techworks
- Fund job training here in the Cedar Valley
- Keep our graduates here in Iowa

Education

- Fund the STEM project, making UNI a leader in science, technology, engineering and math education
- Make education affordable for working families
- Give all Iowa children access to pre-school

Responsible Spending

- Lower property taxes
- Balance the budget
- Budget to fund emergency reserves
