

New **Leadership** that **Represents** the People

Stephanie DeKemper is committed to getting results for us. An active member of our community, Stephanie believes government should represent the people, not the special interests. And she believes we need to take care of Hoosiers who are hurting because of job losses and the increased cost of health care.

All Hoosiers have the same basic rights. We deserve access to **affordable health care, a high quality education and a government that looks out for our interests.** Stephanie will work to find consensus on these important issues and make a positive impact on the lives of working-class families.

Hoosier Rights

- ★ Quality, affordable health care for all
- ★ Equal access to a high quality education
- ★ Opportunities to work and organize

Accountable Government

- ★ Bi-partisan action to improve Indiana
- ★ Supporting small businesses
- ★ Supporting job creation that pays a livable wage
