## I need to hear from YOU!

*Your input makes all the difference!*

### In 2007 the legislature focused on a number of issues. Which of the ones below do you feel was most important?

- Raising the minimum wage
- Improving pay for public school teachers
- Protecting all children in schools
- Expanding renewable fuel production and use
- Repaying the "rainy day" funds (State's savings accounts)

### What should be the Legislature's TOP priority in 2008?

Please rank the following by importance. "1" being the most important and "10" being the least important:

- |   |   |
|---|---|
| <input type="checkbox"/> Expanding access to affordable health care | <input type="checkbox"/> Expanding job training at community colleges |
| <input type="checkbox"/> Creating good-paying jobs                  | <input type="checkbox"/> Helping small businesses                     |
| <input type="checkbox"/> Expanding the use of renewable energy      | <input type="checkbox"/> Lowering taxes for the middle class          |

## I need to hear from you!

The 2008 Legislative Session starts this week! As your Senator, it is my job to represent the needs and interests of District 4, so I need to know what you think the Senate should be focusing on this year. Throughout the Session, I will be holding several community forums, but ***I want your opinion before we get started!*** Please take time to fill out the attached survey and mail it back to me, ***your input makes all the difference.***

I look forward to hearing from you.

Sincerely,

Senator Jack Kibbie / State Capitol / Des Moines, IA 50319
