Paid for by Bailey for State House

I am State Representative McKinley Bailey. I was born and raised in Webster City and I understand the challenges facing rural working families in Iowa. Upon my return from serving overseas, I decided to run for State Representative. Over the past two years, I have worked hard to provide a world-class education to our kids, ensure quality, affordable health care coverage, increase alternative energy solutions and improve veterans services, all while balancing the budget and filling the state's reserve accounts to record levels. I am respectfully asking for your vote on November 4th, to continue our work together.

Sincerely,

McKinley Bailey
