

# **State Representative Paul Shomshor Keeps His Promises**

*Two years ago, State Representative Paul Shomshor promised to fight for you in the State House, and he delivered. Paul fought for much-needed improvements in education, health care coverage and alternative energy solutions, all while balancing the budget and providing tax relief to working families.*

- \$60 million in income tax relief for working families
- Ensured all Iowa children will have health care by 2011
- Raised teacher pay from 42nd to 25th in the nation which will help keep good teachers in the classroom
- Made available quality, affordable pre-school for nearly every four-year-old in the state
- Rewarded hard work by raising Iowa's minimum wage
- Balanced the budget, including putting \$620 million in state's savings accounts

**Re-Elect State Representative Paul Shomshor  
on November 4th . . . He Represents US!**
